Petitioner Carmela DeSantis' Status Report filed by Attorney Joseph Marchini on 10/21/2016 states:

- Petitioner has several pending petitions and several objections to trustee accountings pending before the court in this matter *[list of petitions and objections omitted]*;
- The trustees have provided and intend to provide, but not filed with the court, accountings for periods subsequent to those that are the subject of the current objections. Petitioner is reserving the filing of additional objections pending the outcome of *[a further accounting for the period beginning with the end of the last accounting and ending in approximately March, 2016 that is being prepared and will be filed by the Trustees]*;
- Petitioner has deposed numerous produce buyers who engaged in transactions posted to the first and second accountings; the depositions of the accountants who prepared the accounts are still to be taken;
- **Open discovery:** Petitioner has deposed numerous produce buyers who engaged in transactions posted to the first and second accountings; the depositions of the accountants who prepared the accountings are still to be taken;
- **Petition to Construe:** This petition was severed from other matters for separate trial in the belief that the resolution of this matter might streamline litigation of the others. On 8/4/2014, the Court issued its *Statement of Decision*; the Appeal has been heard, and the trial court's judgment affirmed.
- **Administration of the Trusts:** In June 2016, Counsel for Nicola Verni advised counsel for Mrs. DeSantis that the real property held in trust is currently being appraised by **RICK P. SMITH** so that the trustees may formulate a plan for distribution of the trusts.
- Counsel for Mr. Verni further advised that the trustees are in the process of preparing a further accounting for the period beginning with the end of the last accounting and ending in approximately March, 2016;
- Once the appraisals, accounting, and proposed distribution plan are available, counsel will be able to complete their discussions regarding resolution of the pending petitions or to request the matter be set for trial;
- These items have not been completed;
- **Mrs. DeSantis requests** that this matter be continued for no more than **30 days** and that the trustees be ordered to provide the promised distribution plan and appraisals prior to that date to assure the materials will be provided soon so that she may review the materials in timely fashion.

Trustee [Nicola Verni's] Status Report filed by Attorney Timothy L. Thompson on 6/9/2016 for the status hearing held on 6/20/2016 states [in brief sum]:

- On 9/22/2014, after trial in this matter held before the Honorable Robert H. Oliver, judgment was entered in favor of the Trustees as to the *Petition to Construe Trust Provisions*; on 1/27/2016, the Appellate Court issued its Opinion affirming the judgment and awarding costs on appeal to the Respondent Trustees; the Appellant paid the full amount of the costs claimed *[of \$1,761.70]* prior to the expiration of the time limit to file a Motion to Tax Costs;
- The remaining issues in this matter include the *Petition to Remove Trustees; Appoint Receiver; Surcharge Trustees; Deny Trustees Compensation; Impose Constructive Trust on Assets; and Cause Proceedings to Trace and Recover Assets*; following the Appellate Court's Decision, Attorney Thompson spoke with opposing counsel, Mr. Marchini, and based upon those discussions he is optimistic that the parties will be able to discuss a resolution of the remaining issues without further litigation;
- The Trustees are continuing with the process of gathering information regarding the value of certain assets in the trust (real estate appraisals are being obtained on various properties), which need to be distributed pursuant to the trust terms; once those values are obtained, they intend to work with opposing counsel and the other parties to resolve the remaining issues.

Petition to Construe Trust Provision [Prob. C. 17200]

Leonarda DOD: 7/31/2000	CARMELA DeSANTIS , daughter and Trust Beneficiary, is Petitioner. Petitioner states: <ul style="list-style-type: none"> The VERNI FAMILY TRUST of 1999 was created by SAVERIO VERNI and LEONARDA VERNI on 6/10/1999, and was amended once by Settlor on the following day, 6/11/1999; Leonarda died on 7/31/2000, thereby causing the Trust to be divided into three sub-trusts: the VERNI MARITAL TRUST, the VERNI FAMILY TRUST, (which was amended once during both Trustors' lifetimes), and the VERNI SURVIVOR'S TRUST (copies of Trusts attached as Exhibit A); The instant petition relates to a provision contained in the SURVIVOR'S SUB-TRUST; over Petitioner's objections, Trustees Nick and Rosa have provided a commingled accounting for the Merged Family and Survivor's Sub-Trusts, which fails to segregate each Sub-Trust's assets, liabilities, receipts and disbursements; The failure to appropriately segregate assets, liabilities, receipts and disbursements among the Sub-Trusts prevents the Court, trustee and beneficiaries from determining the size and holdings of the SURVIVOR'S SUB-TRUST; because the SURVIVOR'S SUB-TRUST will be used to fund the above-referenced equalization provision, any appropriate increase in size to that particular Sub-Trust will allow greater realization of the Trustor's intent and will provide a means for effectuating the equalization of prior distributions; conversely, any inappropriate decrease in the size of the SURVIVOR'S SUB-TRUST will undermine the Trustor's intent and deny the Trustee the ability to effectuate an equalization; The Trustee of the SURVIVOR'S SUB-TRUST believes that distributions made during Saverio's lifetime should <u>not</u> be considered for purposes of the equalization process; Petitioner believes this to be contrary to the language of the provision and intent of the Trustor. Petitioner requests a judicial declaration from the Court concerning the proper construction of Subsection 1, of Section B, or Article IV of the SURVIVOR'S SUB-TRUST. 17 Leslie and Jane Thonesen Revised and Restated Revocable Trust

Case No. 16CEPR00860

Attorney Jared R. Callister (for Petitioner Leslie Thonesen, Trustee)

Petition for Order Approving Modification and Termination of Trust under Probate Code Section 15409

Jane DOD: 5/22/2011		<p>LESLIE THONESEN, Trustee, is Petitioner.</p> <p>Petitioner states:</p> <ul style="list-style-type: none"> On 1/12/2000, Petitioner and his wife, JANE THONESEN executed a trust declaration creating the LESLIE THONESEN AND JANE THONESEN REVOCABLE TRUST, which was later revised and restated in its entirety on 2/14/2011, by trust agreement called the LESLIE AND JANE THONESEN REVISED AND RESTATED REVOCABLE TRUST (copy attached as Exhibit "A"); As was customary for estate plans at that time, the Trust provided that at the first settlor's death, the trust assets would be divided into two trusts—a "Bypass Trust" and a "Survivor's Trust"—typically referred to as an A/B trust arrangement; this A/B trust arrangement was typically used as a means of minimizing estate taxes and to ensure that each spouse's estate tax exemption was fully utilized; As set forth in the <i>Declaration of Leslie Thonesen</i> (attached as Exhibit "B"), in the absence of tax considerations, Petitioner and Mrs. Thonesen would have simply preferred that their assets pass outright to the surviving spouse, but based on the advice of counsel and in an effort to minimize taxes, Petitioner and Mrs. Thonesen signed the Trust that included an A/B trust arrangement; As a result of Jane Thonesen's death, ½ of the trust estate was allocated to Sub-Trust known as the SURVIVOR'S TRUST and the other ½ of the trust estate was allocated to BYPASS TRUST (copy of Trust Asset Allocation Agreement attached as Exhibit C); The current large estate tax exemption and portability rules make the existence of the Bypass Trust a non-necessity in order to avoid estate taxes; Petitioner is informed that many of the assets allocated to the BYPASS TRUST have greatly appreciated so that if the BYPASS TRUST is not terminated, these assets will not benefit from the tax basis-step up rules at the time of Petitioner's death—leading to increased income taxes. Petitioner believes that the termination of the BYPASS TRUST could save ~\$500,000.00 in income taxes. <p align="center">~Please see additional page~</p>	<p>NEEDS/PROBLEMS/COMMENTS:</p> <p><u>Continued from 10/3/2016.</u> Minute Order states if consents are filed then the Court is prepared to sign the order.</p> <p>The following issue remains:</p> <ol style="list-style-type: none"> Pursuant to Probate Code § 15404(a), need written consent from the following persons identified as beneficiaries in the <i>Petition</i>: <ul style="list-style-type: none"> Dean Thonesen, son; Joan Taff, daughter; Neil Thonesen, grandson; Derek Thonesen, grandson; Michelle Alo, granddaughter.

Petitioner states, continued:

- Because of this unanticipated change in tax laws, Petitioner desires to modify and terminate the **BYPASS TRUST** so that all the Bypass Trust is terminated and assets are transferred to the **SURVIVOR'S TRUST**; it is clear that Petitioner and Mrs. Thonesen included the A/B sub-trust provisions in their Family Trust in order to minimize taxes (in particular estate taxes), which was a commonly used and recommended estate planning technique. In 2011 when the Petitioner and Mrs. Thonesen executed the Family Trust, they simply could not have anticipated the convoluted whirlwind of estate tax law changes that were on the horizon and that occurred from 2011 through 2013. At the time the Thonesens executed the Family Trust, they could not have reasonably anticipated that Congress would have continued to extend a relatively high exemption amount and make portability a permanent component of the law;
- These drastic changes in the law that occurred after execution of the Family Trust were reasonably not anticipated by the settlors and as a result, Will cause the trust to no longer meet the settlors' intended purposes of establishing the Family Trust in the first place. Simply put, requiring the continuance of the Bypass Trust will thwart the settlors' intended purposes of the Family Trust;
- It is important to note that the original purpose of mandating the creation and the funding of the Bypass Trust was to reduce taxes; with the increase in federal estate tax exemption, this **BYPASS TRUST** is no longer necessary to meet this purpose; if the **BYPASS TRUST** is not allowed to be terminated, Petitioner and the Trust beneficiaries will be in a worse-off position with respect to income taxes because at Petitioner's death the assets in the **BYPASS TRUST** will not receive any step-up in tax basis under IRC § 1014; thus under Probate Code § 15409 the Court is justified in modifying and terminating the **BYPASS TRUST** to allow all **BYPASS TRUST** assets to pass to the **SURVIVOR'S TRUST**;
- The Court is authorized to allow the requested modification and termination of the **BYPASS TRUST** based on its broad equitable powers and under California common law, as the unique and repeated changes to the estate tax laws during the period in question constituted peculiar or exceptional circumstance that would allow such modification and termination.

Petitioner prays for an Order approving the modification and termination of the BYPASS TRUST, so that the BYPASS TRUST be terminated and all assets of the BYPASS TRUST pass and transfer to the SURVIVOR'S TRUST.

Supplement to Petition for Order Approving Modification and Termination of Trust under Probate Code § 15409 was filed 9/28/2016.

	Objections		In May 2016, a statement addressed to the decedent from was received Great-West indicating a tax-deferred 403(b) account was still open with a balance as of 12/31/15 of \$205,258.30. When contacted, Great-West responded that no beneficiary was named and Letters Testamentary would be necessary to capture the account.	
	Video Receipt		Mrs. Jones states the decedent signed a will on 2/21/96, and she has a copy of the will, but cannot locate the original. She has inquired with the clerk's office and the attorney who wrote the will and trust, but no original has been found.

Page 2 – Declaration filed 10/26/16 sets forth the trustees and beneficiaries of the trust (same people given notice per #8) and provides a copy of the trust. The declaration states the only asset that will be part of the probate estate is a 403(b) account for which no beneficiary was named. The value of this account requires a probate.

NEEDS/PROBLEMS/COMMENTS: The following issue remains noted:

1. Petitioner requests to probate the estate as intestate; however, the decedent did have a will, now provided, which pours-over to the family trust. The original cannot be found, but copies have now been provided of the will and of the trust, which is in existence.

Therefore, need authority to proceed as intestate when the Court is aware of a will, which can be admitted to probate as a lost will under §8223.

Note: If granted, the Court will set status hearings as follows:

- Monday, March 13, 2017 for filing the Inventory and Appraisal
- Monday, December 18, 2017 for filing the first account or petition for final distribution.
